Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any Budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of the By-Laws.

SECTION 3. PAYMENT OF ASSESSMENTS:

(A) Liability for Assessments. A Member, regardless of how title is acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, shall be liable for all Assessments and other charges coming due while that person is a Member. Except as provided in this Section 8 of Article VI, the Member shall also be jointly and severally liable with the previous Member for all unpaid Assessments and other charges that came due up to the time of the transfer of title. This liability is without prejudice to any right the Member may have to recover from the previous Member the amounts paid by the Member. The person acquiring title shall pay the amount owed to the Association within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle the Association to record a claim of lien against the Lot and proceed in the same manner as provided herein and in the Act for the collection of unpaid Assessments. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Property or by the abandonment of the Lot for which the Assessments are made or otherwise.

(B) Default in Payment of Assessments. Assessments authorized by Article VI of this Declaration and installments thereof not paid within fifteen (15) days from the date when they are due shall bear interest at the highest lawful rate from the date due until paid. In addition to the above stated interest, the Association shall charge an administrative late fee in an amount not to exceed the highest amount provided for in the Act on Assessments and installments thereof not paid when due. All partial payments upon account shall be applied in the manner prescribed in the Act. The Association is hereby granted a lien on each Lot to secure the payment of Assessments. The lien shall have such priority as may be provided in the Act and shall secure (whether or not stated therein) all unpaid Assessments, which are due at the time a claim of lien is recorded, as well as all regular and special Assessments which may be levied or which may accrue subsequent to the recording of the claim of lien and prior to satisfaction of the lien or the issuance of a certificate of title, together with interest, late charges and all reasonable costs and attorney's fees incurred by the Association incident to the collection and foreclosure process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose its lien in the same manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action or an action to recover a money judgment for unpaid assessments. As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid, the Association may declare the Assessment installments for the remainder of the fiscal year in which a claim of lien has been filed to be accelerated, as provided in Section G below.

(C) Assignment of Rents. The Association is hereby granted a lien against any rents derived from the Lot which shall have the same priority as the Association's lien for unpaid assessments against the Lot. Except to the extent limited by the Act, the lien on any rentals derived from the Lot shall be enforceable by the delivery of written notice to the

owner and the tenant demanding the payment of the rents, provided, however, that no such demand may be made unless and until the Member is delinquent in the payment of any Assessment or other charge due and payable to the Association by the Member under this Declaration.

(D) First Mortgagee. A First Mortgagee acquiring title to a Lot as a result of foreclosure of its first mortgage, or by deed in lieu of foreclosure, may not, during the period of its ownership of such parcel, whether or not such parcel is unoccupied, be excused from the payment of all or any portion of the Common Expenses and Assessments coming due during the period of such ownership. In addition, the First Mortgagee is liable for the share of Common Expenses or Assessments or other charges imposed by the Association pertaining to such Lot which became due prior to acquisition of title as a result of the foreclosure or the acceptance of such deed; provided, however, the First Mortgagee's liability may be limited to the maximum amount set forth in the Act. If any unpaid share of Common Expenses or Assessments or other charges is extinguished by foreclosure of a superior lien or by a deed in lieu of foreclosure thereof, the unpaid share of Common Expenses or Assessments are Common Expenses collectible from all of the Members, including such acquirer, and such acquirer's successors and assigns.

(E) Certificate of Unpaid Assessments. Within fifteen (15) days after request by a Member or mortgagee of a Lot, the Association shall provide a certificate stating whether all Assessments and other moneys owed to the Association by the Member with respect to his Lot have been paid. Any person other than the Member who relies upon such certificate shall be protected thereby. The Association or its authorized agent may charge a reasonable fee for the preparation of the Certificate.

(F) Installments. Regular Assessments may be collected no more frequently than monthly nor less frequently than quarterly, in advance, at the option of the Board of Directors. Special Assessments shall be payable on such terms as may be established by the Board.

(G) Acceleration of Assessment Installments Upon Default. If a Member shall be in default in the payment of an installment upon an Assessment, the Board may accelerate the remaining installments of the Assessment applicable for the balance of the current fiscal year upon notice to the Member, and the then unpaid balance of the Assessment shall be due upon the date stated in the notice.

Notwithstanding the foregoing, the Association may enter into a service contract for all air conditioning and heating systems serving any portion of the Common Areas, with the cost of the service contract being paid for at Common Expense, provided, however, that each individual Owner shall be responsible for any maintenance, repair or replacement not covered by the service contract.
- (ii) The Owner shall be responsible at his or her own expense for the maintenance, repair and replacement of all exterior screens, doors (including painting as necessary), and windows serving a Dwelling, including, without limitation, all frames, locks and operating mechanisms appurtenant thereto, as well as trim and caulking. - (iii) The Owner shall be responsible at his or her own expense for the maintenance, repair, and replacement of all fans, stoves, hot water heaters, refrigerators, sinks, toilets, tubs, showers, shower pans, or other appliances or equipment, including any fixtures and/or their connections required to provide utility service to his Dwelling.

- (vii) Owners shall promptly report to the Association any defects or need for repairs, the responsibility for the remedy of which is that of the Association.
- (viii) All maintenance, repair or replacement for which the Owners are responsible shall be performed by contractors with appropriate licensure and insurance. The Association's aforementioned responsibilities shall not apply to the extent such maintenance, repair or replacement arises from or is necessitated by the negligence, misuse or neglect of one or more Owners, their families, tenants, guests or invitees, in which case such cost and expense shall be paid solely by such Owners, and shall be enforceable in the same manner as any Assessment under Article VI hereof, including, but not limited to, by recordation and foreclosure of a claim of lien against the Parcel.

(D) Consent of the Board of Directors. No Owner shall make any addition, alteration or improvement in or to the interior of the Dwelling which is structural in nature, or which impacts the Common Property in any way, any work which involves piercing a Party Wall in a material manner, any work which relocates, modifies or installs new electrical, plumbing, telephone or any such utility line, or any work which requires the issuance of a permit from a governmental or regulatory authority or agency, without the prior written consent of the Board of Directors. Any and all requests for approval hereunder must be submitted in writing to the Association with plans prepared and sealed by the appropriate professional (i.e., architect, engineer, etc.). The Board shall have the obligation to answer any written request by an Owner for approval of such an addition, alteration or improvement within thirty (30) days after receipt of such request and all sealed plans or thirty (30) days after receipt of any additional information requested by the Board within thirty (30) days of receipt of the initial request. Failure to respond within the

stipulated time shall constitute the Board's consent. The proposed additions, alterations and improvements by the Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, which may not be waived by the Association under any circumstances, and with any conditions imposed by the Association with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise. Once approved by the Board of Directors, such approval may not be revoked. An Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner, and all future owners of the Dwelling, and their heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, its Board members, officers and employees, and all other Owners harmless from and to indemnify them for any liability or damage to the Common Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair, replacement and insurance for such additions, alterations or improvements from and after the date of installation or construction thereof as may be required by the Association, and shall also be responsible for all costs associated with removal and reinstallation of same when necessary, in the discretion of the Board of Directors, in connection with the Association's performance of its maintenance obligations under this Declaration. The Board may impose the requirements set forth in sub-section B(viii) of this Article VII, Section 2, above and may require the execution of a covenant to run with the Dwelling to memorialize the application, approval, conditions of approval and future obligations of the Owner and may condition its approval of any addition, alteration or improvement hereunder upon the preparation, execution and recording of such a covenant at the Owner's expense.

Members' use or enjoyment of the Property or interfere with any existing agreements or contracts entered into with any cable television service company or other utility company.

ARTICLE IX ARCHITECTURAL CONTROLS

SECTION 1. ARCHITECTURAL AND DESIGNS CONTROLS. The Association, acting through the Board of Directors or the Architectural Review Board (the "ARB"), shall have the authority to review and approve plans and specifications for the location, size, type or appearance or any other improvement on a Lot, and to enforce standards for the external appearance of any structure or other improvement located on the Lot, as set forth in the this Declaration and in any architectural guidelines promulgated by the Board of Directors or the ARB (which guidelines may be included in the Rules and Regulations). If there are any conflicts between this Declaration and architectural guidelines, the Declaration shall control.

(A) It is the intent of the Association to create a uniform scheme for the Property and to create within the Property a residential community of high quality and harmonious Improvements. Accordingly, the ARB shall, subject to appeal to the Board of Directors, have the right to approve or disapprove all architecture, landscaping and location of any proposed Improvements for Lots. The ARB shall consist of at least three (3) members. Each member shall be a Member of the Association appointed as provided in the By-Laws. The ARB may impose standards for construction and development consistent with all applicable provisions prescribed in applicable building, zoning or other governmental codes. The procedures for the ARB shall be set forth below:

(B) No Improvements shall be constructed, erected, removed, planted or maintained, nor shall any addition to or any change, replacement or alteration therein be made until the plans and specifications therefore showing the nature, kind, shape, height, materials, floor plans, exterior wall texture, color scheme, and the location of same, including a surface water drainage plan showing existing and design grades and/or contours relating to the predetermined ground floor finish elevation established by the Association, shall have been submitted to and approved in writing by the ARB. As part of the application process, two (2) complete sets of plans and specifications prepared by an architect, landscape architect or engineer shall be submitted for approval by written application on such forms as may be provided or required by the ARB. The ARB may require submission of samples of building materials and colors proposed-to-be-used.

(C) In the event the information submitted to the ARB is, in the ARB's opinion, incomplete or insufficient in any manner, the ARB may request and require the submission of additional or supplemental information.

(D) The ARB shall have the right to approve or reject any plans and specifications, which are not suitable or desirable for aesthetic or any other reasons. In approving or rejecting such plans and applications, the ARB shall consider the suitability of the proposed Improvements and materials of which the same are to be built, the site upon which such Improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property.

(E) Construction of all Improvements for which the approval of the ARB is required under this Declaration shall be completed within the time period specified by the ARB. Failure to complete such work within the specified time period shall be deemed a violation of this Declaration for which the Association will be entitled to damages or any other remedy authorized by this Declaration or the applicable Statute. Such damages may be assessed as an Individual Assessment which may include, without limitation, a fine as provided for in Article XIV of this Declaration.

(F) This Article shall not be deemed to excuse any Owner from compliance with local building and construction codes, ordinances, and/or regulations and improvements constructed shall conform to the requirements of such laws, codes, ordinances and regulations, nor shall the ARB's approval create any presumption or representation that the Owner's plans comply with applicable laws, codes, ordinances and regulations, nor that the work will serve its purpose as intended by Owner.

(G) Upon approval by the ARB of any plans and specifications submitted to the ARB, the ARB shall notify the applicant in writing, which notifications shall set forth any qualifications or conditions of approval. In the event that the ARB disapproves any plans and specifications submitted to the ARB, the ARB shall so notify the applicant in writing, stating the grounds upon which such disapproval is based.

(H) Neither the Directors or officers of the Association, the members of the ARB, nor any person acting on behalf of any of them, shall be liable for any costs or damages incurred by any Member within the Property or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the ARB in connection with the approval or disapproval of plans and specifications. Each Member and occupant of any Lot within the Property agrees, as do their successors and assigns by acquiring title thereto or an interest therein or by assuming possession thereof, that they shall not bring any action or suit against the Directors or officers of the Association, the members of the ARB or their respective agents, in order to recover any damages caused by the actions of the ARB. The Association shall indemnify, defend and hold harmless the ARB and each of its members from all costs, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the ARB or its members. Neither the Directors nor officers of the Association, the members of the ARB, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans and specifications, nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

(I) The approval of the ARB of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the consent of the ARB shall not be deemed to set a precedent for approval of any similar plans and specifications or drawings subsequently submitted to approval with respect to the same Lot or any other Lot.

(J) In the event the ARB fails to approve or disapprove the requested item within forty-five (45) days after the ARB has acknowledged receipt of a complete application for completed applications received between October 1 and March 31, inclusive, or within sixty (60) days after the ARB has acknowledged receipt of a complete application for completed applications received between April 1 and September 30, inclusive, it shall be considered as being approved. Should the ARB be a body other than the Board of Directors, a decision of the ARB may be appealed by any Member to the Board and such appeal must be filed in writing and received by the Board within ten (10) days of the decision of the ARB. The Board shall render a decision with respect to the matter appealed within forty-five (45) days after the Board receives such appeal and the decision of the Board will be final. If the Board fails to reach a decision as to the matter within the said forty-five (45) day period, the decision of the ARB shall govern.

ARTICLE X USE RESTRICTIONS

SECTION 1. RESTRICTIONS ON USE OF PARCELS AND COMMON PROPERTY:

(A) Residential Use. All Lots shall be used only as single family, private, residential dwellings and for no other purpose. Single family shall mean up to two persons living together as a single housekeeping unit, and their spouses, domestic partners, children, grandchildren, parents, grandparents, parents-in-law and siblings. No business or commercial building may be erected on any Lot. No business or commercial activity of any kind shall be conducted on or from any Lot nor in or from any Dwelling, nor may the address or location of the residence or Association's name be publically advertised as to location of any business or commercial activity. This restriction shall not be construed to prohibit any Owner from maintaining a personal or professional library, from keeping personal or professional business records in his or her residence, or from handling personal, business or professional communications and written correspondence in and from his residence so long as such use does not involve customers or clients coming onto the Property, the posting of signage within the Property, or create a nuisance as defined in Article X(I) of this Declaration. Notwithstanding the foregoing, the Board of Directors may adopt and amend from time to time Rules and Regulations regarding certain commercial activities which do not establish an ongoing commercial enterprise and do not detract from the residential character of the community.

(B) Occupancy of Lots.

- (i) Any and all owners of a Lot shall have the right to occupy the Dwelling thereon, subject to the restrictions in this Declaration. The right of occupancy or use of a Lot may not be transferred to another party, except through conveyance or transfer by operation of law, as approved by the Association in accordance with the terms set forth herein. The individual or individuals designated by a corporation, partnership, trust or other entity to occupy the Lot shall be subject to this Declaration and shall be subject to screening and approval in the same manner as tenants hereunder.
- (ii) A guest shall be considered any occupant who is not an Owner or approved tenant. There shall be no time limitation on guest occupancy provided the guest occupies the Dwelling with the Owner or approved tenant or the guest is a member of the Owner's or approved tenant's family, as defined above. However, any guest who occupies a Dwelling in excess of thirty (30) days cumulatively in any calendar year shall be subject to screening as a tenant. Guest occupancy in the absence of the Owner or approved tenant by persons other than members of the Owner's or approved tenant's family, as defined above, is prohibited. Prior to any occupancy of the Dwelling by any guest, the Owner or approved tenant must provide written notice to the Association of the name or names of the intended guests, any familial relationship to the Owner or approved tenant, the anticipated date of arrival, and the anticipated date of departure.
- (iii) All owners, guests, tenants, family members or invitees shall be subject to the restrictions set forth in this Declaration and in the Rules and Regulations and any person other than an owner violating the restrictions in this Declaration or the Rules and Regulations shall be subject to removal from the Parcel and may be precluded from entering the Property.

(C) Leasing. Only entire Dwellings may be rented and no portion of a Dwelling may be rented. A Dwelling shall not be leased or rented without the prior written approval of the Association, which approval shall not be unreasonably withheld. No Owner may lease his or her Dwelling more than once in a twelve (12) month period, measured from the commencement of the most recent prior lease. No Owner may lease his or her Dwelling during the first twenty-four (24) months of ownership, measured from the date of recordation of the most recent instrument conveying any interest in title to the Dwelling, except transfers by devise or inheritance to members of the family, as defined herein above, of a deceased Owner, or Dwellings acquired by the Association, or transfers to add a member of the Owner's family, as defined hereinabove, to the title for estate planning purposes. In the event of conveyance of

title with an approved occupant in possession under lease, said moratorium against leasing during the first twenty-four (24) months of ownership shall commence upon expiration of lease. No lease may be for a term of less than three (3) months or more than twelve (12) months. No rooms may be rented and no transient tenants accommodated. A Dwelling shall be considered leased any time it is occupied by a tenant. The Association shall have the right to require that a substantially uniform form of lease be used. The lease shall include a provision granting the Association authority and standing to evict any lessee of an Owner who is in breach or violation of this Declaration or the rules and regulations of the Association. In the event the Association approves a rental or lease, such approval of a lease or rental shall not release the Owner from any obligation under this Declaration, and the tenant shall have the right to use the facilities and Common Areas to the exclusion of the Owner unless the tenant waives such rights in writing. Regardless of whether or not expressed in the applicable lease, if any, an Owner shall be jointly and severally liable with his, hers or their tenants to the Association for any amount which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant or for the acts and omissions of the tenant(s) or occupant(s) (whether or not subject to a lease) which constitute a violation of, or non-compliance with, the provisions of this Declaration and of any and all rules and regulations of the Association. All tenants shall comply with and be subject to the provisions of this Declaration, the By-Laws, and the Act and the provisions of same shall be deemed expressly incorporated into any lease of a Dwelling. Subleases are prohibited.

When a Dwelling is leased, a tenant shall have all use rights in the Common Areas otherwise readily available for use generally by Owners, and the Owner of the leased Dwelling shall not have such rights. The exclusive use rights of the lessee shall extend for the full term of any approved lease, unless the lease is terminated due to the death of the tenant or a medical emergency involving the tenant. Nothing herein shall interfere with the access rights of the Owner as a landlord pursuant to Chapter 83, Florida Statutes. Dual usage by an Owner and a tenant of Association Property and Common Areas is prohibited.

(D) Pets. No pets or animals may be kept or brought on any portion of the Property at any time except as specifically permitted herein and subject to the rules and regulations adopted by the Board of Directors. Only Owners may bring, harbor or keep birds in a cage or fish in a tank, provided that the size of the fish tank may not exceed ten (10) gallons. No tenant or guest may bring a pet onto the Property. In addition to the foregoing, the Board may make and amend rules from time to time to impose further restrictions on the keeping and handling of permitted pets on the Property, which may include, without limitation, the species and number of birds which may be permitted. Permission to have a pet on the Property may be revoked for any violation of the requirements of this provision or the rules adopted by the Board or should any pet on the Property become a nuisance.

(E) Parking. No parking space may be used for storage of personal property. The following guidelines shall apply with regard to permitted and prohibited vehicles on the Property (including, without limitation, any assigned or unassigned parking spaces):

- (i) ONLY passenger automobiles, station wagons, sport utility vehicles and passenger vans may park on the Property.
- (ii) Without limiting the general provisions set forth above, the following types of vehicles WILL NOT be permitted to park on the Property, except as provided by sub-paragraph (iii) below:
 - (a) Commercial vehicles of any type, including, without limitation, any vehicle, including permitted vehicles, showing or displaying any commercial, charitable or institutional (e.g., church or school) markings, signs, displays or otherwise indicating a commercial or other non-personal use or a vehicle used for commercial purposes;
 - (b) Vans, other than passenger vans (passenger vans must have windows on all body panels);
 - (c) Motorcycles or other two or three wheeled motorized vehicles over 1,500 cubic centimeters;
 - (d) Stretch limousines;
 - (e) Trucks of any type, including, but not limited to, pick-up trucks of whatever nature, and any vehicle with a passenger cab and cargo bed, whether covered or uncovered, whether with a bed top or without, the term cargo bed being specifically intended to refer to those vehicles with a bed exposed to the elements or covered by a top (as an after-market device) which are designed, manufactured marketed or sold primarily for the purpose of carrying cargo rather than passengers, with a capacity in excess of 6,000 kilograms gvw;
 - (f) Agricultural vehicles;
 - (g) Dune buggies;
 - (h) Any trailer or other device transportable by vehicular towing;
 - (i) Semis, tractors or tractor trailers;
 - (j) Buses;
 - (k) Travel trailers;

- (l) Boats and boat trailers with or without boats;
 - (m) Vehicles which are not fully mechanically operable or not currently licensed or registered for use;
 - (n) Motorcycle delivery wagons;
 - (o) Recreational vehicles;
 - (p) Mobile homes or mobile houses;
 - (q) Truck mounted campers attached or detached from the truck chassis;
 - (r) Motor homes or motor houses;
 - (s) Motor vehicles not having any bodies whatever, or incomplete buggies;
 - (t) Swamp buggies; and
- (iii) While engaged in making deliveries or service calls, or if being utilized by Association employees, trucks and other commercial vehicles may be parked in designated areas, but not overnight.
 - (iv) All vehicles parked on the property contrary to the provisions contained herein shall be subject to being towed in accordance with Section 715.07, Florida Statutes, as amended from time to time, at the expense of the owner of the vehicle. Towing shall not be the exclusive remedy of the Association.
 - (v) Notwithstanding anything herein to the contrary, but subject to subparagraph (iii) above, no vehicle or other device shall be permitted to park on the Common Property for other than delivery or service call purposes, if its dimensions exceed the dimensions of the parking space assigned or designated.
 - (vi) The Board may adopt and amend additional rules and regulations regarding the issuance and display of decals to identify residents' or guests' vehicles.

(F) Temporary Structures. No structure or object of a temporary character, including, but not limited to, house trailers, vans, tents, shacks, sheds or temporary or accessory buildings or structures, shall be erected, kept or maintained on the Property, or any part thereof without prior written approval from the Board of Directors or the ARB, as provided in Article IX of this Declaration. This restriction shall not apply to temporary

structures used by the Association. This restriction may also be waived by the Association with respect to construction by builders, pursuant to separate written agreements.

(G) Insurance. No Member shall permit or suffer anything to be done or kept within his Lot or make any use of the Common Property, which will increase the rate of insurance on any portion of the Property.

(H) Nuisances. No Member shall permit any use or practice, which is either an annoyance or nuisance to exist upon or within the Lot, or permit any conduct that creates any excessive or offensive noise or disturbance to Members or an interference with the peaceful possession and proper use of the Property. No Member shall commit or permit any nuisance or any immoral or illegal activity in or about the Property. For greater clarification, no Member shall knowingly or willfully make or create any unnecessary, excessive or offensive noise or disturbance which destroys the peace, quiet and/or comfort of the Members or allow any such noise or disturbance to be made on his Lot.

(I) Antennae. No radio, television or other electronic antennae, or aerial satellite system (hereinafter collectively referred to as "Antennae") may be erected, installed or maintained anywhere on the Common Property by any person or entity other than the Association, nor may any of the foregoing be installed on any Lot, without the prior written approval of the ARB. To the extent feasible and subject to applicable law, all Antennae approved by the ARB must be placed in locations that are not visible from any street and in a location to minimize annoyance or inconvenience to other Members if the placement would still permit reception of an acceptable quality signal. The ARB is hereby authorized to adopt additional restrictions and guidelines regarding the installation of Antennae.

(J) Access to Lots. Whenever the Association is permitted or required by this Declaration to enter any Lot for the purpose of correction, repair, cleaning, clearing, moving, or any other required or permitted activity, such entrance shall not be deemed a trespass.

(K) Signs. No signs, advertisements or notice of any kind shall be displayed to the public view on any Lot.

(L) Housing For Older Persons Restriction. Forest Grove is intended as housing for older persons. Accordingly, the members of the Association wish to operate as housing for older persons as that term is used and defined in the applicable Federal and State Fair Housing laws. Accordingly, all Dwellings shall be held for occupancy by persons fifty-five (55) years of age or older, subject to the exceptions noted below, and no permanent occupancy by persons under the age of eighteen (18) shall be permitted. The term occupancy shall have the meaning ascribed in the applicable Federal and State Fair Housing laws and the rules promulgated pursuant thereto. No occupancy shall be permitted by individuals between the ages of eighteen (18) and fifty-four (54), inclusive,

unless the Dwelling is also occupied by at least one person fifty-five (55) years of age or older. Persons under eighteen (18) years of age may visit and occupy a Dwelling as a guest, but no Dwelling may be occupied by persons under eighteen (18) years of age for more than thirty (30) days cumulatively in a calendar year. Accordingly, the Board shall not approve any proposed transfer to persons who do not intend to hold the Dwelling out for occupancy by persons fifty-five (55) years of age and older or to persons who intend to occupy the Dwelling without at least one occupant over the age of fifty-five (55). The Board may permit sales where the title holders will not include at least one person fifty-five (55) years of age or older on the condition that all purchasers verify in writing in a form acceptable to the Association that they intend to hold the Dwelling out for occupancy by persons fifty-five (55) years of age or older or intend to occupy the Dwelling with at least one person fifty-five (55) years of age or older in occupancy with them at all times. The only exceptions where occupancy by persons between the ages of eighteen (18) and fifty-four (54), inclusive, will be permitted are the surviving spouse of a deceased member of a deceased member who resided with the deceased member in the Dwelling where the deceased member was over fifty-five (55) years of age, but the surviving spouse is between eighteen (18) years of age and fifty-five (54) years of age, inclusive, and the surviving children of a deceased member where the deceased member was over fifty-five (55) years of age, but the surviving children are between eighteen (18) years of age and fifty-four (54) years of age, inclusive. The foregoing exceptions will only be permitted if the resulting occupancy levels will remain at at least eighty (80%) percent as provided below or as required by applicable law.

The Board of Directors shall establish policies and procedures for the purpose of assuring that the Board implements the intent of this provision in connection with the screening of sales, leases and all other transfers pursuant to this Declaration and for the purpose of assuring that at least eighty (80%) percent of the occupied Dwellings in Forest Grove operated by the Association are occupied by at least one person fifty-five (55) years of age or older. The Board of Directors shall take all reasonable steps to insure that the community's status as housing for older persons is preserved and protected. A census will be conducted as often as and in the manner required by applicable law.

(M) Fruit trees may not be planted. No bougainvillea or other shrubs growing on vines are permitted. Approval of the Board of Directors must be obtained before any plantings or potted plants of any kind are placed on the Common Area.

ARTICLE XI CONVEYANCES, SALES, RENTALS, LEASES AND TRANSFERS

In order to insure the community of congenial residents and thus protect the value of the Dwellings, the sale, leasing, rental, and transfer of Dwellings by any Owner shall be subject to the following provisions:

SECTION 1. TRANSFERS SUBJECT TO APPROVAL. The following transfers shall be subject to prior written approval of the Board of Directors and any transfer undertaken without prior written approval of the Board of Directors shall be void:

- A. All sales of Dwellings except judicial sales conducted pursuant to a judgment of foreclosure held by an Institutional First Mortgagee encumbering a Dwelling or public sales conducted by the Palm Beach County Tax Collector resulting from the failure to pay real property taxes, subject to the limitations of applicable law.
- B. All transfers by lease.
- C. All transfers by gift.
- D. All transfers by devise or inheritance.
- E. Any other transfer of title to or possession of a Dwelling.
- F. All transfers subject to approval shall require, as a condition of approval, the payment to the Association of a transfer fee not to exceed the maximum amount permitted by the Act and, if the Act is silent, at such amounts as shall be established by the Board of Directors.
- G. All transfers by lease may be conditioned upon the posting of a security deposit with the Association not to exceed the maximum amount permitted by the Act and, if the Act is silent, at such amounts as shall be established by the Board of Directors.

SECTION 2. NOTICE FROM OWNER. Prior to approving any transfer subject to approval hereunder, the Association shall be entitled to written notice of the transferor's intent to make the transfer with a copy of the documentation evidencing the intended transfer, including, but not limited to, a copy of the contract for sale in the case of a sale, a copy of the Letters of Administration for the Personal Representative of a deceased Owner's estate and such other documentation from the Probate Court file as the Board may reasonably require in the event of a transfer by devise, a copy of the lease in the case of a lease, and a copy of any other documentation pertaining to a proposed transfer subject to approval hereunder which the Association may reasonably require, completed applications on forms prescribed by the Association, a personal interview with the proposed transferee(s) and any other intended occupants of the Dwelling, and such other and further information about the intended transferees or occupants as the Association may reasonably require.

SECTION 3. ASSOCIATION'S ELECTION. Within thirty (30) days of receipt of the last of the information required pursuant to Section 2 above, the Association must either approve or disapprove the transfer. Failure on the part of the Association to respond within said thirty (30) day period shall constitute automatic approval for the proposed transfer.

A. Approval. In the event the Association approves a lease, the Association shall notify the transferor and transferee of its approval in writing. In the event the Association approves any other transfers subject to approval hereunder, the Association shall deliver to the transferor or the transferor's designee an executed certificate of approval, approving the transfer, executed by an authorized representative of the Association.

B. Disapproval of Transfer of Title. In the event the Board of Directors disapproves a proposed sale or other transfer of title, unless good cause exists, as defined below, the Association must, within thirty (30) days of receipt of the last of the information provided pursuant to Section 2 hereof, provide the owner with an executed contract from the Association or another purchaser acceptable to the Association, which contract must provide for the purchase of the Dwelling on the same terms as were set forth in the original proposed contract for sale, which contract must provide for a closing date within thirty (30) days from the date it is delivered to the Owner by the Association. If the conveyance or transfer was a gift, devise or inheritance, unless good cause exists, as defined below, the purchase price shall be determined by an appraiser selected by and at the expense of the substitute purchaser. If the Owner does not agree with the appraisal, the Owner may select and pay for another appraisal and the purchase price shall be the average of the two appraisals. If the Association does not respond to the application within thirty (30) days, as set forth above, or the substitute purchaser provided by the Association does not close within thirty (30) days, as set forth above, the original transaction shall be deemed approved and the Owner may proceed to closing and shall be entitled to a Certificate of Approval as described in Paragraph (A) of this Section 3.

- (i) If good cause exists for the Association to disapprove a proposed sale, conveyance or transfer by gift, devise or inheritance, the Association shall not be obligated to purchase or provide a substitute purchaser for the Dwelling. Good cause shall be defined to include the following:
 - (a) The applicant fails to qualify for membership in the Association, including, but not limited to, those applicants who fail to qualify for membership because the use, occupancy and/or ownership of the Dwelling and/or the Common Property by the applicant, as disclosed in the screening process, will violate the restrictions on use, occupancy or ownership set forth in this Declaration or the Rules and Regulations, or;
 - (b) The person seeking approval (which shall include all proposed occupants) has been convicted of a felony involving violence to persons at any time or has been convicted of any other felony within the ten (10) years preceding the date of application; or

- (c) For transfers by sale, the person seeking approval intends to purchase the Dwelling without paying at least twenty percent (20%) of the purchase price, excluding closing costs, in cash or in some form that would result in a first mortgage secured by the Dwelling with a loan to value ratio (based upon the bona fide sale price) in excess of eighty percent (80%); or
- (d) The applicant takes possession of the Dwelling prior to approval by the Association as provided for herein; or
- (e) The person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in this community as a lessee, guest, owner or occupant of a Dwelling or based upon information provided from other sources; or
- (f) The applicant fails to comply with the requirements of Section 2 hereof.

 - (a) **Reconstruction or Repair.** If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be used to pay the cost of such repair or reconstruction, as provided in this Declaration and any proceeds remaining after defraying such costs shall be retained by the Association as common surplus.

SECTION 1. NEGLIGENCE. A Member shall be liable for the expense of any maintenance, repair or replacement, whether to the Common Property, the Lot or the Member's personal property, or to the personal property of the Association or other Members, made necessary by his or her violation of any portion of this Declaration or by his or her negligence or intentional misconduct or by that of any member of his family or his or her guests, agents, employees or contractors, but only to the extent such expense is not met by the proceeds of insurance actually collected by the Association. Any such expense advanced by the Association, together with interest, costs and attorneys' fees, shall be secured by a lien against the Lot enforceable in the same manner as an assessment under Article VI hereof.

SECTION 2. COMPLIANCE. In the event a Member or occupant fails to comply with such Member's obligations under any provision of this Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable Rules and Regulations, or any other agreement, document or instrument affecting the Property in the manner required, the Association shall have the right to proceed in a court of equity to require performance and/or compliance, to sue in a court of law for damages, and levy a special charge against the Member and the Lot for the sums necessary to do whatever work is required to put the Member or Lot in compliance. Such charge, together with interest, costs and attorneys' fees, shall be secured by a lien against the Lot, enforceable in the same manner as assessments levied under Article VI hereof.

SECTION 3. FINES. In the event a Member or anyone for whom a Member is responsible fails to comply with a provision of the Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable Rules and Regulations, or any other agreement, document or instrument affecting the Property in the manner required, the Association shall have the right to impose a fine against the Member and the Parcel. The amount of any fine shall be determined by the Board of Directors of the Association, but in any event shall not exceed any maximum amount permitted by the Act. The Association is hereby empowered to impose a lien for unpaid fines, subject to the limitations set forth in the Act. Furthermore, there shall be no limitation upon the amount of a total fine which may accumulate when a violation is continuing in nature and a fine is levied for each day of the continuing violation.

SECTION 4. SUSPENSION OF USE RIGHTS.

(A) In the event a Member or anyone for whom a Member is responsible fails to comply with a provision of the Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable Rules and Regulations, or any other agreement, document or instrument affecting the Property in the manner required where such non-compliance involves a violation other than failure to pay a monetary obligation due to the Association, the Association shall have the right to impose a suspension of the rights of the Member or the Member's family members, guests, lessees, invitees, or any other person occupying

the Lot from using any portion of the Common Property, except to the extent prohibited by the Act.

SECTION 5. SUSPENSION OF VOTING RIGHTS. The Association may suspend the voting rights of the Members for non-payment of monetary obligations to the Association to the extent and in the manner provided in the Act.

SECTION 6. COSTS AND ATTORNEY'S FEES. In any proceeding arising because of an alleged failure of a Member or the Association to comply with the requirements of the Act, this Declaration, the By-Laws, the Articles of Incorporation of the Association, or the Rules and Regulations, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees).

SECTION 7. NO WAIVER OF RIGHTS. The failure of the Association or any Member to enforce any covenant, restriction or other provision of the Act, this Declaration, the By-Laws, the Articles of Incorporation of the Association, or the Rules and Regulations, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.

SECTION 8. ELECTION OF REMEDIES. All rights, remedies and privileges granted to the Association or a Member pursuant to any terms, provisions, covenants or conditions of the governing documents shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other additional rights, remedies or privileges as may be granted by the governing documents.

Proxies shall not be used in the election of the Board of Directors, either in general elections or elections to fill vacancies, except for vacancies caused by the recall of a majority of the Board. No Owner shall permit any other person to vote his or her ballot, and any such ballots improperly cast shall be deemed invalid. Elections shall be decided

by a plurality of those ballots cast. Cumulative voting is prohibited. There shall be no quorum requirement; provided, however, at least twenty percent (20%) of the eligible votes must cast a ballot in order to have a valid election.

C. Written notice of the scheduled election shall be mailed, hand delivered or electronically transmitted to each Member at his last known address as it appears on the books of the Association. The first notice of the date of the election shall be mailed, hand delivered or electronically transmitted to each Member not less than sixty (60) days before the scheduled election. The first notice must contain the name and correct mailing address of the Association.

D. Any eligible Owner or other eligible person desiring to be a candidate for the Board shall give written notice to the Association not less than forty (40) days before the scheduled election. Written notice shall be effective when received by the Association.

E. Not less than fourteen (14) days before the scheduled election, the Association shall mail, deliver or electronically transmit to the eligible voters at the addresses listed in the official records of the Association a second notice of the election, together with a ballot. Each Lot shall receive one (1) ballot. Accompanying the ballot shall be an outer envelope addressed to the person or entity authorized to receive the ballots and a smaller inner envelope in which the ballot shall be placed. The exterior of the outer envelope shall indicate the name of the voter and the Lot or Lot numbers being voted and shall contain a signature space for the voter. Once the ballot is completed, the voter shall place the completed ballot in the inner smaller envelope and seal that envelope. The inner envelope shall then be placed within the larger outer envelope and the outer envelope shall then be sealed. Each inner envelope shall contain only one ballot, but if a person owns more than one Lot and is, therefore, entitled to cast more than one ballot, the separate inner envelopes required may be enclosed within a single outer envelope. The voter shall sign the exterior of the outer envelope in the space provided for his or her signature. The outer envelope shall either be mailed or hand delivered to the Association. Upon receipt by the Association, no ballot may be rescinded or changed.

F. The written ballot shall indicate in alphabetical order by surname, each and every eligible Owner or other eligible person who desires to be a candidate for the Board and who gave written notice to the Association not less than forty (40) days before a scheduled election, unless such person has, prior to the mailing of the ballot, withdrawn his candidacy in writing. No ballot shall indicate which candidates are incumbents on the Board. No write-in candidates shall be permitted. No ballot shall contain a section providing for the signature of a voter. Envelopes containing ballots received by the Association shall be retained and collected by the Association and shall not be opened until the polls are closed at the election.

G. All envelopes containing ballots collected by the Association shall be transported to the location of the election. An impartial committee of persons appointed by the Board shall validate and process the ballots. The Association shall have available additional blank ballots and inner and outer envelopes at the meeting for distribution to the

eligible voters who have not cast their votes. Each ballot distributed at the meeting shall be placed in an inner and outer envelope as provided in subsection (E) hereof. At the meeting, as the first order of business, ballots not yet cast shall be collected. Next, the signatures and Lot identifications on the outer envelopes shall be checked against the list of qualified voters. Any exterior envelope not signed by the eligible voter shall be marked "disregarded" and any ballots contained therein shall not be counted. No ballot shall be counted unless it contains on its face or is submitted in an envelope containing the name of the authorized voter for the Lot or Lots, the Lot or Lot numbers being voted and the signature of the authorized voter for the Lot or Lots. The voters shall be checked off on the list as having voted. Then, in the presence of any Owners in attendance, and regardless of whether a quorum is present, all inner envelopes shall be first removed from the outer envelopes and shall be placed in a receptacle. Upon the commencement of the opening of the outer envelopes, the polls shall be closed, and no more ballots shall be accepted. Inner envelopes shall then be opened and the ballots shall be removed and counted in the presence of any Owners. Any inner envelopes containing more than one ballot shall be marked "disregarded" and any ballots contained therein shall not be counted. All envelopes and ballots, whether disregarded or not, shall be retained as part of the official records of the Association for such time period as may be required by the Act. Board members whose terms expire and who are not reelected shall relinquish their Board positions, and those positions shall be assumed by the duly elected Board members.

H. Notwithstanding anything contained herein to the contrary, an election is not necessary unless there are more eligible candidates than vacancies. In such case, not later than the date of the scheduled election, the Association shall call and hold a meeting of the membership to announce the names of the new Board members, or shall notify the Owners that one or more Board member positions remain unfilled, as appropriate under the circumstances. In the alternative, the announcement may be made at the annual meeting.

I. If the office of any director becomes vacant by reason of death, resignation, retirement, disqualification, or otherwise, a majority of the remaining directors, though less than a quorum, shall choose a successor who shall hold office for the balance of the unexpired term of office. The election held for the purpose of filling said vacancy may be held at any regular or special meeting of the Board.

Section 3. Organizational Meeting. The organizational meeting of a newly elected Board shall be held after their selection within ten (10) days of their election, at such place and time as shall be fixed by the directors at the meeting at which they were elected. Notice of such organizational meeting; which notice specifically incorporates an identification of agenda items, shall be posted conspicuously on the Property at least 48 continuous hours preceding the meeting, except in an emergency.

Section 4. Term. The directors shall serve staggered terms. All directors serving as of the effective date of this amendment shall serve until the next annual meeting, at which point all seven (7) seats on the Board of Directors shall be up for election. The four (4) candidates receiving the highest number of votes shall serve for two (2) years and the

remaining three (3) candidates elected to the Board shall serve a one (1) year term. Thereafter, all directors shall be elected for two (2) year terms. If there is not a contested election at the first annual meeting after the effective date of this amendment, all seven (7) seats on the Board of Directors shall be up for election, but the persons seated on the Board shall decide among themselves which four (4) shall serve a two (2) year term and which three (3) shall serve a one (1) year term, and, if they cannot agree, the decision shall be submitted to a special election by the members, at which the only candidates shall be the seven (7) persons seated on the Board, and the sole purpose of the election shall be to determine which four (4) Board members shall serve a two (2) year term and which three (3) shall serve a one (1) year term.

Section 5. Recall. Any member of the Board may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all Owners. A special meeting of the Owners to recall a member or members of the Board may be called by ten percent (10%) of the Owners giving notice of the meeting as required for a meeting of Owners, and the notice shall state the purpose of the meeting. The recall of a director shall be further governed by the applicable provisions of the Act.

Section 6. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the directors. Notice of regular meetings shall be given to each director, personally or by mail, telephone, facsimile, or electronic mail, and shall be transmitted at least forty-eight (48) hours prior to the meeting. Regular meetings of the Board, subject to the exceptions set forth in the Act, and only those committee meetings specifically required by the Act shall be open to all Owners. Notice of Board and committee meetings required to be open to all Member shall be posted conspicuously at the Property forty-eight (48) continuous hours preceding the meeting, except in the event of an emergency. However, written notice of any meeting at which non-emergency special assessments, or at which amendments to rules regarding Lot use will be proposed, discussed or approved, shall be mailed, hand delivered or electronically transmitted to the Owners and posted conspicuously on the Property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice requirement shall be made by an affidavit executed by the person providing the notice and filed among the official records of the Association. The Board may adopt a rule to provide that, in lieu of posting notice of a regular Board meeting on the Property, the notice and agenda may be conspicuously posted and repeatedly broadcast on a closed-circuit cable television system serving the Association in the manner required by the Act. Notice of any meeting where assessments against Owners are to be considered for any reason shall contain a statement that assessments will be considered and the nature of any such assessments. The right of a Member to attend regular Board meetings includes the right to speak at such meetings with reference to all designated agenda items. A Member does not have the right to speak with reference to items not specifically designated on the agenda, but the Board, in its discretion, may permit a Member to speak on such items. The Board may adopt reasonable rules governing the frequency, duration, and manner of Owner statements.

Section 7. Special Meetings. Special meetings of the directors may be called by the President or, in his absence, by the Vice President, and must be called by the President or Secretary at the written request of four (4) of the directors. Notice of the meeting shall be given to all Board members personally or by mail, telephone, facsimile, or electronic mail, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than forty-eight (48) hours prior to the meeting. Special meetings of the Board shall be subject to the same requirements applicable to regular meetings of the Board, as set forth in Section 7 of this Article IV.

Section 8. Waiver of Notice. Any director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the giving of notice. Attendance by any director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

Section 9. Quorum and Voting. A quorum at directors' meetings shall consist of a majority of the entire Board. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of directors is required by the Declaration, the Articles or these By-Laws. Directors may not vote by proxy or secret ballot at Board meetings, except, if allowed by statute, for election of officers. A vote or abstention for each director present shall be recorded in the minutes. Directors may meet by telephone conference and those attending by telephone conference may be counted toward a quorum and may vote by telephone, provided the telephone conference is conducted on a speaker so that the conversation of those Board members attending by telephone may be heard by the Board and any other person attending the meeting.

Section 10. Adjourned Meetings. If, at any meeting of the Board, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting any business that might have been transacted at the meeting as originally called may be transacted without further notice.

Section 11. Presiding Officer. The presiding officer of the directors' meetings shall be the President, his or her designee or, in the absence of the President, the Vice-President or his or her designee.
