## ***President's Message***

Dear Friends and Neighbors,

Welcome Fall- clocks set back, moderating temperatures, hurricanes less likely and outdoor activities on the upswing, farmers markets and craft fairs.

We are working on next years budget, could use some number crunching residents to help. Also the Construction Committee is working on improvements to Clubhouse. Should see new roof and interior lighting soon. May have to close facilities a few days when they are working. Then kitchen and bathrooms and more.

The new pool furniture is in place and is a welcomed improvement. We want to thank the Pool Furniture Committee for their effort and time.

See notice about the Community Garage Sale on October 19th.

Bienvenidos los relojes de otoño se retrasan, las temperaturas se moderan, los huracanes son menos probables y las actividades al aire libre están en auge, los mercados de agricultores y las ferias artesanales.

Estamos trabajando en el presupuesto del próximo año, nos vendría bien un poco de números para ayudar. Además, el Comité de Construcción está trabajando en mejoras a la Casa Club. Debería ver un nuevo techo e iluminación interior pronto. Es posible que tengan que cerrar las instalaciones unos días cuando están trabajando. Luego la cocina y los baños y más.

El nuevo mobiliario de la piscina está en su lugar y es una mejora bienvenida. Queremos agradecer al Comité de Mobiliario de Piscina por su esfuerzo y tiempo.

Ver aviso sobre la Venta de Garaje Comunitaria el 19 de octubre.

Bob Upson- President LLHOA

**Visitors and Guests**

When you have visitors or guests you are responsible and must accompany them. At no time should visitors or guests be allowed to use the Clubhouse or Pool facilities alone. They will be asked to leave.

**Needs to be mentioned**

Parking on the street after 10 PM and parking on the grass next to the street is not allowed. Parking on the homeowners lot is only allowed on the driveway surface. Sidewalks must have a clear path to walk or use a wheelchair. Please park in direction of traffic flow on streets.

**Drainage**

Be a good neighbor and be aware of water collecting in backyards during heavy rains. When built, this development drained to surface drains. If you have made changes in your yards such as flower beds or added patios that disrupt the flow, it could be creating problems for your neighbors.
