**TREVI ISLE HOMEOWNERS' ASSOCIATION, INC.**  
**HOMEOWNER GATE ACCESS FORM**

The Association requires authorization to program the homeowner's name and contact telephone number into the gate access system's keypad directory.

Upon arrival, guests will select homeowner's name in the directory and follow the prompts, the telephone number programmed in the system associated with the resident's name will be called, upon answering – press "9" on the phone for gate to remotely open and allow guest entry.

**NOTE: THE DIRECTORY WILL ONLY DISPLAY HOMEOWNER NAMES NOT TELEPHONE NUMBERS.**

I would like to be programmed in the keypad directory: \_\_\_\_\_ YES \_\_\_\_\_ NO

(If you choose not to have your name programmed in the keypad directory – you will not have the ability to grant access to guests when the gate is closed.)

New Homeowners will be given two (2) gate remote controls per household at No Charge. Additional gate clickers may be purchased from GRS at the address indicated above.
