If a unit owner receiving notice fails to cure the condition specified by the Association, the Association may contract to have such work performed and may charge such unit owner accordingly based upon the invoices for work performed provided by the contractor(s) selected by the Association administering the work. If any unit owner shall neglect or refuse to pay his costs of maintenance and repair, or share thereof, and if such unit owner shall give, or shall have given a mortgage or mortgages upon his unit, then his mortgagee shall have the full right at its option to pay the sums properly owed and to add said sum to the outstanding balance of such mortgage(s), provided said sum is not promptly reimbursed to said mortgagee(s) by the unit maintenance or repair by a mortgagor-unit owner is hereby declared to constitute a "waste of security" for purposes of any clause prohibiting the same appearing as part of the mortgage given by said unit owner.

5. Insurance. Insurance, other than title insurance, that shall be carried on the Common Property, the Association Property, and the Dwellings shall be governed by the following provisions:

A. Authority to Purchase: Named Insured. The Association shall purchase insurance on the following property: the Common Property, the Association Property and the townhouse buildings, including all exterior surfaces of such buildings, the unfinished interior surfaces of the perimeter walls, floors and ceilings of the separate townhouse units (the aforesaid property to be insured by the Association shall hereinafter collectively be referred to as the "Insurable Property"). The Association shall not purchase insurance on the interiors of the separate townhouse units, which shall mean and refer to all surfaces and structures within the interior unpainted finished surfaces of the ceiling, floor and perimeter walls of the townhouse unit, nor shall the Association purchase insurance on the equipment, furniture or other personal property located within the separate townhouse units, including but not limited to air conditioning or air handling units, electrical fixtures, heating equipment or built in cabinets which are located within the units or which serve only one individual unit, regardless of its location. The name insured shall be the Association individually, and as agent for each townhouse unit owner without naming them, and mortgagees. Provisions shall be made for the issuance of mortgagee endorsements and memoranda of insurance to any such mortgagees.

The policies shall provide that payments by the insurer for losses shall be made to the Association for the benefit of the townhouse unit owners and mortgagees, as their interests may appear. By the acceptance and recording of his deed of conveyance, each townhouse unit owner shall be deemed to have designated the Association as his agent and attorney-in-fact for the collection of all proceeds of insurance and for the disbursements thereof pursuant hereto.

The Owners may and should purchase insurance on the interior of their Dwellings, as aforescribed, and their personal property, as they deem appropriate.

B. Coverage.

Casualty Insurance. All Insurable Property shall be insured for fire and extended coverage perils, excluding foundation and excavation costs, at their maximum insurable replacement value, except that all personal property owned by the Association shall be insured for its full insurable value, all as determined annually by the Board of Directors of the Association.

Public Liability Insurance. The Association shall obtain a public liability and property damage insurance covering all of the Common Property and the Association Property, and insuring the Association and the townhouse unit owners as their interests appear in such amounts and providing such coverage at the Board of Directors of the Association may determine from time to time.

Other Insurance. The Board of Directors of the Association shall obtain such other insurance as necessary to meet the requirements of federal, state or local law, or as it shall determine from time to time to be desirable.

Premiums. The cost of insurance premiums and other incidental expenses incurred by the Association in administering and carrying out any of the provisions of this Article shall be a common expense of all townhouse unit owners as billed by the Association.

C. Share of proceeds. The Association shall hold the proceeds of insurance for benefit of the townhouse until owners suffering loss and their mortgagees as follows:

Proceeds on account of damage to the common property or its appurtenances shall be held in undivided equal shares for each townhouse unit owner and his mortgagees, if any.

Proceeds on account of damage to townhouse units will be held for the owners of damaged units in proportion to the cost of repairing the damage suffered by each unit owner, which cost will be determined by the Association. In the event a mortgagee endorsement has been issued for a townhouse unit, the share of the unit owner will be held for the mortgagee and the unit owner as their interests may appear; provided, however, that no mortgagee will have any right to apply or have applied in reduction of the mortgage debt any insurance proceeds except by way of distribution of such proceeds being made to the unit owner and mortgagee as hereinafter provided.

D. Distribution of Proceeds. Unless it be determined to terminate this Declaration and the Association, the Association shall in all events disburse proceeds of insurance on account of damage to common lands and common property in repair or replacement thereof. Any deficiency in insurance proceeds to restore and repair said common lands or property to their condition before loss shall be equally allocated among the townhouse unit owners, and collected by the Association as herein provided. If the proceeds of insurance exceed the cost of repair or replacement, such excess proceeds shall be disbursed in equal shares to the townhouse unit owners and their mortgagees as their interest may appear.

Similarly, in the case of damage to a building or buildings and the separate townhouse units of which they are composed, the proceeds of insurance held for the benefit of such unit owners shall be disbursed by the Association to repair said building or buildings and their appurtenant units. If the proceeds of insurance are insufficient for said restoration or repair, the additional cost will be allocated among those townhouse unit owners who own the damaged units and such cost allocation will be in proportion to the cost of repairing the damage suffered by each such unit owner as determined by the Association. Similarly, any excess proceeds of insurance will be distributed among those townhouse unit owners who own the damaged units, such distribution to be in proportion to the cost of repairing the damage suffered by each such unit owner as determined by the Association.

If it is determined to terminate this Declaration and the Association and not to restore and repair the damaged property, then, and immediately prior to such termination, the Association shall disburse to the unit owners and their mortgagees, as their interests may appear, all proceeds of insurance in the shares in which such proceeds are held for said unit owners as determined herein.

E. Association's Power to Compromise Claims. The Board of Directors of the Association is hereby irrevocably appointed agent for each townhouse unit owner and for each mortgagee or other lien holder, for the purpose of compromising and settling all claims arising under insurance policies purchased by the Association, and to execute and deliver releases therefor upon payment of claims.

6. The Association will be billed annually by the tax collector in and for St. Lucie County, Florida, for ad valorem real property taxes upon the common property owned by the Association. Each townhouse unit owner shall be responsible for an equal share of said tax. The Association shall bill to and collect from each townhouse unit for his equal share of said tax as hereinafter provided. Each unit owner will be billed annually by said Tax Collector for ad valorem real property taxes on his individually-owned townhouse unit.

7. All charges and expenses to be billed to and collected from townhouse unit owners whether jointly or severally shall be billed monthly and collected in accordance with the Association's Charter, By-laws and this Declaration. The Association shall pay, or to create reserves for payment, of all common expenses including, but not necessarily limited to, repairs and maintenance to common property and to the exteriors of buildings, annual taxes and annual

insurance premiums. In the discretion of the Association there may be added to each monthly billing a sum reasonably calculated to create reserves to defray the expenses to, or financial impact upon, the Association caused by unit owners who default in payment of their monthly billings.

All monthly billings to townhouse unit owners which are paid on or before 10 days after the date when due will not bear interest, but all sums not paid on or before 10 days after the date when due will bear interest at the rate of 10% per annum, or the maximum rate allowed by law, whichever is less, from the date due until paid. All payments upon account will be first applied to interest and then to the monthly billings first due. The Association shall have a lien upon each townhouse unit and upon all tangible personal property located within each such unit for any unpaid monthly billings made to such unit owner, together with interest. Reasonable attorney's fees incurred by the Association incident to the collection of such monthly billings or the enforcement of the lien created hereby, together with all sums advanced and paid by the Association for taxes and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien hereunder, will be payable by the townhouse unit owner and secured by such lien.

8. Where the mortgagee of an institutional first mortgage of record acquires title to a townhouse unit as a result of the foreclosure of said mortgage, or where others acquire title as a result of such foreclosure, or where said mortgagee accepts a deed to a townhouse unit in lieu of foreclosure, such acquirer of title, his heirs, executors, legal representatives, successors and assigns, will not be liable for the monthly billings previously charged and assessed by the Association pertaining to such townhouse unit and its former owner which became due prior to such acquisition of title. Such unpaid share will be deemed to be a common expense, collectible from all of the townhouse unit owners, including such acquirer of title, his heirs, executors, legal representatives, successors and assigns.

9. The parking spaces to be owned and maintained by the Association as common property shall be subject to assignment by the Association to each townhouse unit owner at the time he acquires title to his unit. Once assigned the same shall be deemed appurtenant to the unit conveyed. Subsequent conveyances or leases of the unit shall carry with them the right of use of the assigned parking space(s).

10. Each townhouse unit owner shall have perpetually the full and free right to the use and enjoyment of all of the common property owned by the Association. This shall include, but not limited to, a right of ingress and egress over all of the common property. This right of ingress and egress throughout the common property shall also extend to all guests and invitees of unit owners.

11. All mortgagees of townhouse unit shall specifically have a right of access to all of the common property for the purpose of ingress and egress to any and all townhouse units upon which they hold mortgages.

12. Easements are specifically provided and reserved throughout the common property for any and all necessary utility services, including but not limited to electric, water, telephone, and cable television that may be necessary now, or in the future, such easements to be in addition to any reflected upon any survey or plot plan for THE PINES now appearing among the public records of St. Lucie County, Florida, or filed subsequent hereto.

13. These covenants shall be deemed to run with the land and shall be binding upon all parties and all persons claiming under them for a period of 20 years from the date of their recording, after which time they shall be extended automatically for a successive period of 10

years unless terminated. This Declaration shall be amendable or terminable in the same fashion provided for amendment of the Charter or By-Laws of the Association. Such termination, if coupled with a dissolution of the Association, shall be preceded by a good and sufficient conveyance of the common property to all of the then record owners of townhouse units in THE PINES, such unit owners to acquire, own, and hold said common property in undivided equal shares.

14. Enforcement of this Declaration of Protective Covenants shall be by action against any person or persons violating or attempting to violate any covenant(s), either to restrain violation or to recover damages. The party bringing the action, including the Association, shall be entitled to recover, in addition to costs and disbursements allowed by law, such sum as the Court may adjudge to be reasonable for the services of his attorney. The Association may also levy reasonable fines for violations of this Declaration of Protective Covenants, the Charter, the By-Laws, or the Rules and Regulations of the Association, within the requirements of Florida law. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

15. The following use restrictions and regulations shall be adhered to by each townhouse unit owner in THE PINES:

- (a) No owner or lessee or guest of an owner or lessee, shall make or permit any disturbance that will interfere with the rights, comforts or conveniences of others.

In no event shall trash or garbage be placed outside of receptacles. Yard cuttings and clippings shall be placed in the receptacle provided and marked for such debris.
- (e) At least thirty (30) days prior to the scheduled date of the resale of any townhouse unit, the owner will give notice of such resale to the Association. At least (10) days prior to the data of such resale, the Association will meet with the prospective new owner in order to educate such new owner about the rules and regulations of the Association. Upon the resale of any townhouse unit, the new owner shall notify the Association of the change of ownership within ten (10) days of closing and shall deliver to Association a copy of his deed so that the name and proper mailing address of the new owner may be noted upon the records kept by the Association.

Improperly registered vehicles and disabled vehicles will be considered abandoned, and may be towed after twenty four hours (24) written notice. Each townhouse unit has two (2) assigned parking spaces, and no more than two (2) vehicles per unit may be parked upon the property of the Pines. All motor vehicles must be parked and maintained so as not to create an eyesore in the community.

(k) Owners and their lessees shall be held responsible by the Association for all property damage to common areas and all decorative plantings caused by them, their dependents, guests, employees, or agents.

(l) No signs of any kind may be displayed on or in any exterior portion of the dwelling units, the fenced patio area, the windows of the dwelling units, or any of the common areas, except as specifically provided below:

(a) A family surname may be installed upon the patio fence of a dwelling, providing it does not exceed twenty four (24") inches in height and ten (10") inches in width, and is first approved by the Board of Directors.

(b) Signs indicating the installation of home security systems may be installed on a ground stake next to the patio entrance of the unit.

The leasing agreement and application will be accompanied with a letter introducing the applicants(s).

(2) Every prospective lessee shall be interviewed by the Association's Board of Directors prior to taking possession of the townhouse unit. The purpose of this interview is to determine the applicant's eligibility, and if approved to ensure that the applicant is fully aware of the Association's Protective Covenants and the Association's rules and regulations. The President at his or her direction, may appoint a rental committee from the membership to assist the Board of Directors by conducting an informal interview and ensuring that all administrative requirements are met prior to the formal interview by the Board of Directors.

(3) The Association shall be deemed to be a party to any lease executed for a lease of a unit at the Pines, so that if any lessee residing in the Pines shall violate any of the provisions of the governing documents of the Pines or the rules and regulations of the Association, the Association shall have the authority to evict such lessee, and shall be entitled to recover the costs and attorneys fees incurred in any such eviction proceedings from the owner(s) of the unit.

and

WHEREAS, such common walls of townhouse units will be located on imaginary lines, all being more particularly delineated and described by and in composite Exhibit No. 1, attached hereto and made a part hereof; and

WHEREAS, Declarant intends hereby to declare the common walls separating townhouse units to be party walls and to set forth the respective rights, duties and obligations of Declarant's grantees of townhouse units, their future grantees, heirs, successors and assigns, as to the party walls appurtenant to their respective units; and

WHEREAS, Declarant intends that this declaration create a covenant running with the lands more fully described in Schedule B appended hereto and made a part hereof;

NOW, THEREFORE, the premises stated, it is hereby declared for the twenty-four buildings each containing four townhouse units situate upon the lands last above described that:

1. The common walls shared by the townhouse units, and located upon imaginary lines all as more particularly delineated and described by and in composite Exhibit No. 1, attached hereto and made a part hereof, shall be party walls for the perpetual benefit of, and use by, the grantees of Declarant as to each such townhouse unit, their heirs, successors, assigns and future grantees,

2. In the event of damage or deterioration of the party walls declared hereby from any cause whatsoever, other than from the negligence or willful misconduct of one townhouse unit owner, the townhouse unit owners sharing such party walls shall, at their joint expense, repair and rebuild said

wall(s), and each townhouse unit owner shall have the right to full use as herein set forth of said wall(s) as repaired or rebuilt. In the event it shall become necessary or desirable to perform maintenance upon the whole or any part of said party wall(s), such expense shall be shared equally by the owners of the adjoining townhouse units, or their successors in title. Whenever any such party wall or any part thereof shall be repaired or rebuilt, it shall be constructed in the same manner and in the same location where it shall initially have been constructed, and shall be of the same size and of the same or similar materials and of like quality; provided, however, that if such maintenance, repair or rebuilding is necessitated by the neglect or willful misconduct of any one townhouse unit owner, any expense incidental thereto shall be borne solely by such unit owner. If any townhouse unit owner shall refuse to pay his share, the other townhouse unit owner(s) affected may have such wall maintained, repaired or rebuilt and shall be entitled to a lien upon the townhouse of the unit owner so failing to pay his share of the cost. If a townhouse unit owner shall give, or shall have given, a mortgage or mortgages upon his townhouse unit, then, and in that event, the mortgagee shall have the full right at its option to exercise the rights of his mortgagor as a unit owner hereunder and in addition, the right to add to the outstanding balance of said mortgage any amounts paid by the mortgagee hereunder and not reimbursed to said mortgagee by the townhouse unit owner. If a townhouse unit owner shall cease to use the wall declared a party wall hereby, he shall be deemed to have abandoned all his rights thereto, and the wall shall become the property of the adjacent townhouse unit owner who shall have an easement upon the land under the wall so long as the wall shall be used by him. Any townhouse unit owner removing his improvements from a party wall or making use of a party wall shall do so in such manner as to preserve all of the rights of the adjacent townhouse unit owner in the wall, and shall save the adjacent townhouse unit owner harmless from all damage caused thereby to improvements then existing. In the event maintenance, repair or rebuilding shall be necessary, all necessary entries into or upon adjacent townhouse units shall not be deemed a trespass

so long as the maintenance, repair or rebuilding is necessary and accomplished in a workmanlike manner, consent being deemed given by those holding under this declaration for entry into or upon their townhouse units to effectuate necessary maintenance, repair or rebuilding of party walls.

3. The owner of any townhouse unit sharing a party wall with an adjoining townhouse unit shall not have the right to cut windows or other openings in the party wall, or make any alterations, additions or structural changes in or to said party wall.

4. The owner of any townhouse unit shall have the right to the full use of the party walls appurtenant to his unit for whatever purpose he chooses, subject to the limitation that such use shall not infringe upon the rights of the owner of any adjoining townhouse unit or that owner's similar enjoyment of said party walls. No townhouse owner's use shall in any manner impair the value, utility or stability of said walls.

5. Each common wall to be constructed upon the real property described herein shall be and remain a party wall for the perpetual use and benefit of the respective townhouse unit owners, their heirs, assigns, successors and grantees, said townhouse units being conveyed subject to this condition, and this condition shall be construed to be a covenant running with the land upon which such townhouse units are situate.

6. So long as there shall be a mortgage or mortgages upon any of the townhouse units delineated and described in and by Exhibit No. 1, appended hereto, this agreement shall not be modified, abandoned or extinguished without the consent of such mortgagee(s), and the acquisition of one townhouse unit owner's property by any other unit owner(s) shall not operate to render this agreement void, useless or extinguished without the written approval of the owners and holders of any then outstanding mortgage(s).

7. Easements shall be deemed granted by Declarant wherever necessary to those utility companies, including, but not limited to, telephone, water, electric, and television cable, furnishing

utilities to The Pines of Fort Pierce townhouse unit development enabling such companies to place centralized meters or other necessary utilities equipment on the exterior walls of y of the townhouse units created or described hereby. There is also declared to exist an easement to those companies previously described permitting the installation of their necessary utility lines running beneath the townhouse units created or described hereby. A similar easement is declared to exist for necessary repairs to said utility lines.

8. Easements shall be deemed granted by Declarant to each owner of a townhouse unit for maintenance and repair of those segments of water and sewer lines exclusively serving the townhouse unit of said owner. Said owner is declared to be responsible for maintenance and repair of said segments of water and sewer line at his expense. Easements shall be deemed granted by Declarant to the owners of the four townhouse units of each individual building for the maintenance and repair of those segments of water and sewer line running from each building to the Fort Pierce Utilities Authority service lines, which segments of water and sewer line serve the building as a whole. Maintenance and repair of those segments of water and sewer line serving a building as a whole shall be accomplished as an expense of the building and shall be payable in equal shares by the unit owners thereof; provided, however, that if such maintenance or repair is brought about or necessitated solely by the act or negligence of one townhouse unit owner, any expense incidental thereto shall be borne solely by the party responsible.

B. Special members' meetings shall be held whenever called by the President or Vice President or by a majority of the Board of Directors, and must be called by such
