

HALF MOON BAY MASTER ASSOCIATION, INC.

ASSOCIATION POOL RULES

We have been experiencing an increasing number of violations of association rules. The Half Moon Bay Master Board wishes to remind all owners, renters, and guests of the following rules in particular:

- **POOL UMBRELLAS/CHAIRS:** Close umbrellas and put chairs back in place when leaving the pool area.
- **COVER UPS AND SHOES:** It is recommended that cover ups and shoes be worn to and from the pool area/deck.
- **GLASS AT THE POOL:** Glass is NOT PERMITTED on the concrete pool deck or wooden deck by the intracoastal waterway.
- **FLOATS:** Other than noodles, no other floating devices are allowed in the pool.
- **FOOO/DRINKS:** No food or drinks are allowed within 4 feet of the pool or hot tub.
- **GRILLS:** Clean grills after each use; cleaning tools are provided near the grills.

We recommend all owners assist in reminding others of the rules when they observe violations. We are also asking all owners to inform their guest of the rules.
