Nothing contained herein, however, shall be construed as to limit or modify the responsibility of the unit owner to make such reconstruction or repair.

(ii) ASSOCIATION - Said Insurance Trustee shall make such payments upon the written request of the Association, and by the architect or general contractor in charge of the work, who shall be selected by the Association, setting forth that the sum then requested either has been paid by the Association or is justly due to contractors, subcontractors, materialmen, architects, or other persons who have rendered services or furnished materials in connection with the work, giving a brief description of the services and materials and several amounts so paid, or now due and that the cost as estimated by the person signing such certificate does not exceed the remainder of the construction funds after the payment of the sum so disbursed.

(iii) SURPLUS - It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds; and, if there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed jointly to the beneficial owners of the funds, who are the unit owners and their mortgagees.

(.6) INSURANCE ADJUSTMENTS - Each unit owner shall be deemed to have delegated to the Board of Directors, his right to adjust with insurance companies, all losses under policies purchased by the Association, except in any case where the responsibility of reconstruction and repair lies with the unit owner, subject to the rights of mortgagees of such unit owners.

B. INTERPRETATION - In interpreting deeds, mortgages and plans, the existing physical boundaries of the unit shall be conclusively presumed to be its boundaries regardless of settling or lateral movement of the buildings and regardless of minor variances between boundaries shown on the plans or in the deed and those of the buildings.

C. REGULATIONS - Reasonable regulations concerning the use of the condominium property may be made and amended from time to time by a majority vote of the Association. Copies of such regulations and amendments thereto shall be posted conspicuously and shall be furnished by the Association to all unit owners. No regulation may discriminate against any group or class of users. No new or amended rule or regulation may be enforced prior to approval by the owners.

11 CONVEYANCE, DISPOSITION, FINANCING - In order to assure a community of congenial residents and thus protect the value of the units, the conveyance, disposal and financing of the units by any owner other than the Developer shall be subject to the following provisions:

B. In any such proceeding, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney fees as may be awarded by the Court.

C. In the event that the grievance is that of an owner or owners against the Board of Directors or a member thereof, prior to the institution of litigation, written notice in detail of the grievance shall be given the Directors and they shall be allowed a period of twenty (20) days in which to cure or correct.

D. NO WAIVER OF RIGHTS - The failure of the Association or any owner to enforce any covenant, restriction or other

provision of the condominium documents shall not constitute a waiver of the right to do so thereafter as to later infractions.

13. AMENDMENTS - Amendments to any of the condominium documents shall be in accordance with the following:

A. An amendment may be proposed either by the Board of Directors or by any owner and may be considered at any meeting of the owners, regular or special, of which due notice has been given according to the By-Laws, which notice includes notice of the substance of the proposed amendment. An amendment shall include the recording data indentifying the Declaration and shall become effective when recorded according to law.

(.2) While the Developer holds units for sale in the ordinary course of business, any action by the Association that would be detrimental to the sales of units by the Developer may not be taken without approval, in writing, by the Developer.

B. CORRECTORY AMENDMENT - Whenever it shall appear that there is a defect, error or omission in any of the condominium documents, amendment of which will not materially or adversely affect the property rights of unit owners, a fifty-one percent (51%) vote of the owners shall be the required percentage, or the procedure set forth in Florida Statute 718.110(5) may be used.

C. REGULAR AMENDMENTS - An amendment which does not change the configuration or size of any condominium unit in any material fashion, materially alter or modify the appurtenances to such unit, change the proportion or percentage by which the owner of the parcel shares the common expenses and owns the common

surplus or materially or adversely affects the property rights of owners may be enacted by a sixty-six and two-thirds percent (66-2/3%) vote.

D. EXTRAORDINARY AMENDMENTS - An amendment which will have the effect of doing any of the things mentioned in "C" above shall require the affirmative vote of all the record owners of the affected units and all record owners of liens thereon and the affirmative vote of the owners of all other units. This section shall be deemed to include enlargement of, material alteration of or substantial additions to the common elements only if the same will have a material adverse effect on the owners' property rights, which shall otherwise be treated as regular amendments. Any vote changing the percentage of ownership of the common elements or sharing the common expenses shall be conducted by secret ballot.

14. TERMINATION - The condominium shall be terminated if at all, in the following manner:

Such undivided shares of the owners shall be as set forth in Exhibit B. All funds held by the Association except for the reasonably necessary expenses of winding up shall be disbursed to the unit owners in the shares set forth in Exhibit B. The costs incurred by the Association in connection with a termination shall be a common expense.

C. FOLLOWING TERMINATION - The property may be partitioned and sold upon the application of any owner. Provided, however, that if the Board of Directors following a termination, by unanimous vote, determines to accept an offer for the sale of the property as a whole, each owner shall be bound to execute such deeds and other documents reasonably required to effect such sale at such times and in such forms as the Board of Directors directs. In such event, any action for partition or other division of the property shall be held in abeyance pending such sale, and upon the consummation thereof shall be discontinued by all parties hereto.

D. THE MEMBERS OF THE LAST BOARD OF DIRECTORS shall continue to have such powers as in the Declaration are granted, notwithstanding the fact that the Association itself may be dissolved upon a termination.

The unpaid share of common expenses or assessments are common expenses collectible from all of the unit owners, including such acquirer and his successors and assigns.

E. In lieu of foreclosing its lien or in the event of a foreclosure by a mortgagee or deed in lieu of foreclosure to a mortgagee, the Association may bring suit against the defaulting unit owner to recover a money judgment for any sums, charges or assessments required to be paid to the Association by the unit owner without waiving its lien securing payment. The defaulting unit owner shall be required to pay all costs of collection including the Association attorney's fees.

F. The Association is obligated to send the mortgagee, if any, a copy of the default notice prior to instituting any action.

G. No amendment to this Declaration shall be effective to change or alter the rights or reservations as hereinafter reserved by the Developer. Moreover, no amendment to this Declaration shall be effective to change or lessen the rights of any institutional mortgagee. Institutional mortgagee shall have

the meaning as defined in SECTION 4. Definitions, of this Declaration.

H. The liens herein referred to as maintenance assessments or special assessments to particular units shall be specifically subordinate to the claim of any institutional mortgagee.

I. Where the mortgagee of a first mortgage of record obtains title to a unit by foreclosure or by deed in lieu of foreclosure, such mortgagee and its successors and assigns shall not be liable for such unit's assessments or share of the common expenses which became due prior to acquisition of title unless such share is secured by a claim of lien for assessments recorded prior to the recordation of the subject mortgage.

J. The mortgagee may occupy, lease, sell or otherwise dispose of such unit without the approval of the Association.

17. AMENDMENT OF AND ADDITION TO CONDOMINIUM DECLARATION BY DEVELOPER - Pursuant to law and the provisions of Florida Statute 718.110, the Developer has a right to amend this Condominium Declaration as follows:

A. The Developer, so long as it owns more than one unit, reserves the right at any time to amend the Declaration, as may be required by any lending institution or public body, or in such manner as the Developer may determine to be necessary to carry out the purposes of the development provided that such amendment shall not increase the proportion of common expenses borne by all the owners. Such amendments shall comply in all respects with Florida Statute 718.403 so as to afford unit owners proper consent to any proposed amendment.

B. Any mortgagee of record or record owner of a lien on condominium real property shall be required to join in this amendment by the Developer.

18. ENFORCEMENT OF ASSESSMENT LIENS - Liens for assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of mortgage on real property. The membership of the prior owner shall be thereby terminated.

20. INDEMNIFICATION - Every Director of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved by reason of his being or having been a Director of the Association, or any settlement thereof, whether or not he is a Director at the time such expenses are incurred, except in cases wherein the Director is adjudged guilty of nonfeasance, misfeasance in the performance of his duties, or shall have breached his fiduciary duty to the Association shall not be liable for payment of a voluntary settlement unless it is first approved by the Board of Directors.

21. APPORTIONMENT OF COMMON EXPENSES AND COMMON SURPLUS AND OWNERSHIP OF COMMON ELEMENTS - The manner in which the apportionment of common expenses and common surplus and the ownership of common elements has been determined is by utilizing a fraction, the numerator of which is one (1) and the denominator of

which is the number of all units submitted to condominium ownership. Exhibit B to this Declaration sets forth the fraction of ownership of common elements and the apportionment of common expenses and common surplus as each phase is submitted to condominium ownership.

22. SEVERABILITY - If any provision of this Declaration or the Exhibits thereto, as now constituted or as later amended, or any section, sentence, clause, phrase or word, or the application thereof in any circumstance is held invalid, the validity of the remainder and of the application of any such provision, section, sentence, clause, phrase or word in other circumstances shall not be affected thereby.

23. VOTING - Each unit shall have one full vote in all matters.

24. PHASING - The Condominium will be developed in eight (8) phases. The legal descriptions of these parcels are contained in Exhibit "A" and Exhibit "A2" to this Declaration.

A. Initially the condominium will consist of Phase I. Phases II, III, IV, V, VI, VII and VIII may be submitted to the condominium form of ownership by an amendment to this Declaration in accordance with Florida Statute 718.403(6). The legal descriptions for all eight (8) phases are found in Exhibit "A" and Exhibit "A2" hereto. There will be a maximum of 248 units in the four phases.

B. Phase I will consist of 16 units in two (2) two story buildings. Phases II, III, IV, V, VI and VII will each consist of 16 units in two (2) two story buildings, if constructed,, and Phase VIII will be divided into sub-phases and will consist of 136 units in seventeen (68) - 2 story buildings, if constructed.

There will be one (1) unit type as follows:

Type A - 2 bedroom/2 bathrooms and a Florida Room consisting of approximately 1,200 square feet of living space. Each unit will also have a laundry/storage room.

C. The membership vote and ownership in the Association attributable to each unit in each phase and the results if any phase or phases are not developed are as follows:

(.2) The ownership in the Association shall be as set forth in Exhibit B. If any phase is not added, the fraction of ownership will remain at the level that already exists.

D. The Developer states that the time periods within which each phase must be completed are as follows:

Phase I	-	August 1990	-	16 units

NOTE: Developer has every expectation that the phases will be completed sooner than shown above, but as the Condominium Act, Florida Statute 718.403(4)(b)3 requires that a legal deadline be set forth in the Declaration, ample time is being given to cover any eventuality.

E. Pursuant to Florida Statute 718.403(6) amendments to the Declaration adding phases do not require the consent of any unit owners other than the Developer nor of any other person. However, the Developer shall notify owners of existing units of commencement of, or the decision not to add Phase II, Phase III, or Phase IV, Phase V, Phase VI, Phase VII or Phase VIII. Notice shall be by certified mail addressed to each owner at the address of his unit or at his last known address.
